

Prenalen

Dietary supplement

Raspberry flavoured dissolving powder.

Contains sweeteners.

For pregnant women and breastfeeding mothers.

Prenalen soluble powder contains garlic dry extract, zinc and vitamin C which boost the immune system. Garlic has been used in natural medicine for many years. It has antibacterial and antioxidant properties. Garlic used in Prenalen is odourless and standardized (allicin, allin).

Vitamin C boosts the immune system. Vitamin C reduces fatigue and exhaustion, and increases iron absorption. Additionally, it helps to protect cells against oxidant stress.

Zinc is responsible for the proper functioning of the immune system. It also has many functions connected with upkeep of the proper metabolism of proteins and carbohydrates.

Varied diet and healthy lifestyle are important to stay healthy.
